During the applicable period, Simmons Broadcasting and KNDK Inc. engaged in the following non-vacancy specific activities:

1. ***Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.*** Each summer our stations offer a number of paid and non-paid internship programs to area high school and college students interested in pursuing a career in broadcasting. Interns have the opportunity to work in a number of areas, including programming, copy/production, promotions, marketing and administration.
2. ***Participation in job fair.*** On October 18, 2022 we participated in the Marketplace for Students Job Fair at the Cavalier, ND high school. Simmons/KNDK HR Director Andrea Johnston made a presentation to students on jobs in media and participated in a Q & A.
3. ***Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.*** At our annual managers retreat held each year in early January we invest a substantial amount of time to discussion as to how we can better fulfill our obligations under the EEO guidelines. Topics include seniority practices to ensure they are not discriminatory, salary and benefits to ensure we provide equal pay for equal work and a review of selection/evaluation techniques that could be discriminatory in effect. Human Resource Director Andrea Johnston chairs this portion of our meeting.
4. ***Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.*** For two weeks each year we offer a 'Switch Jobs For a Week' program where Operations based employees are able to cross train with individuals in our Sales Department and vice versa. While it doesn't always result in those individuals wanting to adjust their careers, it does give participants a richer understanding of the other positions in the radio stations. Many of the Operations employees who have crossed trained with Sales people have been able to sell some advertising and grow their compensation plans. Our stations 2022 'Switch Jobs' program occurred the weeks of 7/18 and 8/15.
5. ***Scholarship Program.*** Each year, Simmons/KNDK makes available a cash scholarship to a graduating high school senior who will be attending a college or university to pursue a degree in broadcasting, journalism, media, marketing or other courses of study that will lead to a career in broadcasting or media.
